7. For border 3, trim (2) 2" **Fabric K** strips to 37½". Sew one strip to each side of the quilt top and press the seams toward the borders. Trim (2) **Fabric K** strips to 40½" and sew one to the top and one to the bottom. Press the seams as before. The quilt measures 40½" square to this point.
8. For border 4, refer to the quilt image and diagram to arrange (2) Blocks 2 and 2 Blocks 3 as shown – note the fabric orientation. Sew them together and press. Make (2) vertical rows. Sew to opposite sides of the quilt center and press the seams toward the border. Arrange (2) Blocks 1, (2) Blocks 4, and (2) Blocks 1 in a row, sew them together, and press. Make (2) horizontal rows. Sew to the top and bottom of the quilt center. Press as before.
9. For border 5, sew (8) 4½" **Fabric F** border strips together end to end using diagonal seams. Measure the vertical length of the quilt top through the center and cut (2) border strips that length. Sew (1) strip to each side of the quilt top and press the seams toward the borders. Measure the width of the quilt top through the center. Cut (2) **Fabric F** border strips to that length and sew one to the top and one to the bottom. Press the seams toward the borders.

FINISHING

10. Sew together the (8) 2½" **Fabric G** binding strips end to end using diagonal seams. Press the seams open. Press the binding strip in half with the wrong sides together.
11. Layer the backing (wrong side up), batting, and quilt top (right side up). Baste the layers together and quilt as desired. Trim excess batting and backing even with the top of the quilt.
12. Leaving an 8" tail of binding and beginning along an edge of the quilt top, matching the raw edges of the binding to the raw edges of the quilt. Sew the binding to the outside edge around all four sides and miter corners. Stop sewing approximately 12" from where you started and backstitch.
13. Lay both loose ends of the binding flat along the quilt edge. Where these two loose ends meet, fold them back onto themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding together, with the right sides matching. Trim the seam to ¼" and press it open. Finish sewing the binding to the quilt.
14. Turn the binding over the raw edge to the back of the quilt and hand or machine stitch in place.
